## Customer Rebate Program: Available for Q4 2018

Trimble is pleased to announce the availability of a customer rebate program for U.S., Canada, and Mexico for Q4 2018. This program allows customers who purchase select Trimble products the ability to collect a rebate off the current list price according to the Trimble price book. Do not miss the opportunity to upgrade your fleet with the latest Trimble technology!

### How to Participate

**Note:** This program is only available to customers who purchase qualifying Trimble products between **15 October 2018** and **21 December 2018**. Refer to the table provided below for all eligible Trimble products.

### Rebate Submission

Follow the steps below to participate in the Rebate Program and submit your invoice online:

1. Verify the product(s) being considered for the rebate program is a qualified product purchased between **15 October 2018** and **21 December 2018**.
2. All rebate applications must be submitted before **1 January 2019** via our online portal:  
<https://ag.trimble.com/rebate-program>
3. Refer to the online portal for further instructions on how to submit an invoice and file for the rebate. Before applying, ensure that you have all the necessary information on hand:
  - Date of purchase
  - Invoice number
  - The serial number of the product(s) eligible for rebate
  - The description of the product(s) eligible for rebate
  - Copy of original receipt
